HOW TO PREPARE

Mammogram

No powder, perfume, deodorant.
Bring previous mammogram.

Ultrasound

ABDOMINAL

Gallbladder, Pancreas: Nothing to eat or drink from midnight before.

BLADDER & PELVIS: Drink 32 oz. non-carbonated fluid.
Finish drinking 1 hour before appointment time.

Do not void.

LIVER: Nothing to eat 4 hours prior to appointment.

CT (oral contrast)

- Drink 1/2 (one half) bottle night prior to exam (bedtime).
- Drink 1 full bottle at a slow and steady pace 2 hours before exam.
- Bring 1/2 half bottle with you to be taken at the time of exam.

Patients receiving oral contrast should fast 2 hours prior to exam (oral prep excluded).

Oral prep may be refrigerated.

Please drink oral prep straight - do not mix with other liquids.

MRI of brain and/or neck

Do not wear eye makeup. Dentures should be removed prior to the exam.

Please leave all jewelry at home. Any questions please call: 973-729-0002
